Summary

Motivated developer looking forward to learning as much as possible. Excited to collaborate with new people and find new ways to improve my skills so that I can become a better programmer.

Work Experience

Hovrtek
August 2019 - Sept 2019, Portland

- Create a better user friendly mobile app prototype.
- Recreate mobile app using custom personal server using Mongo/goLang back-end and React Native front-end
- Experience using React Native Maps and Google Places API

Flying Pie Pizzeria
June 2016 - Oct 2016, Gresham

- Cleaned dishes in a timely manner
- Created top quality pizza in a fast pace environment

Head Basketball Coach
Nov 2013 - March 2014, Gresham

- Create practice drills catered to improve teams skill
- Strategize game plans to overcome opposing teams

Education

Epicodus
March 2019 - July 2019, Portland

- Cultivated the ability to quickly pick up new programming languages.
- Collaborated effectively in pair programming to create projects such as TableSide and Gold Rush
- Worked 40 hours a week with HTML, JavaScript, C#, CSS, and MySQL.

Skills

- JavaScript
- C#
- MySQL
- React
- Object Oriented Programming
- Critical Thinking

Projects

TableSide- Is a proof-of-concept cloud based POS system designed for use on mobile devices. Languages used are Javascript, Typescript, HTML
